MUDA meeting begins amid ongoing probes

Two MLAs bat for cancellation of all sites allotted under 50:50 ratio

Mysuru, Nov. 7 (MTY&BCT)- The general meeting of the Mysuru Urban Development Authority (MUDA) began this morning at its office on JLB Road, amidst ongoing investigations by the Enforcement Directorate (ED), Mysuru Lokayukta Police and the One-Man Judicial Commission headed by Justice P.N. Desai.

These investigative bodies are probing the controversial allotment of thousands of sites under the 50:50 scheme, which allegedly benefited individuals wielding power and influence.

This marks the first meeting since the change in leadership at MUDA, following the resignation of K. Marigowda as MUDA Chairman amidst the site allotment controversy. The State Government subsequently appointed Mysuru Deputy Commissioner G. Lakshmikanth Reddy as the new Chairman.

Mysuru DC G. Lakshmikanth Reddy, who is also the Chairman of MUDA, chairing the general meeting in city this morning as MLAs G.T. Devegowda, Rameshbabu Bandisiddegowda, K. Harishgowda, Darshan Dhruvanarayan, MLCs C.N. Manjegowda and L. Vivekananda, MUDA Commissioner A.N. Raghunandan and City Police Commissioner Seema Latkar look on.

No special agenda: There was no special agenda for today's meeting. Due to the absence of MUDA meetings over the past few months, regular operations and public services were disrupted, prompting the need for this meeting to address these concerns. **The media was excluded from the meeting, with only photographers allowed inside for a few minutes.**

Speaking to reporters ahead of the meeting, MUDA Chairman Lakshmikanth Reddy stated that no new topics would be discussed.

G.T. Dinesh Kumar appears before ED for questioning

Former MUDA Commissioner was missing from Oct. 28; denies any illegal transaction

Mysuru, Nov. 7 (BLU&BCT)- Former MUDA Commissioner G.T. Dinesh Kumar, who had been missing following an Enforcement Directorate (ED) raid on his residence on Oct. 28, reportedly appeared for questioning by the ED in Bengaluru yesterday.

Dinesh Kumar

Dinesh Kumar's whereabouts were unknown after the raid on Oct. 28. However, yesterday morning, he appeared before ED officials at their Shanthinagar Office for questioning. Dinesh Kumar is embroiled in a series of controversies and corruption allegations related to the MUDA's 50:50 site distribution scam.

On the morning of Oct. 28, ED officials raided his home at Deepika Royal Apartments in Banaswadi, Bengaluru. Upon learning about the raid from security personnel, Dinesh abruptly abandoned his morning walk and went into hiding. Sources indicate that he did not return home afterward and his mobile phone remained switched off.

CCTV footage has captured visuals of Dinesh Kumar leaving the walking path near his apartment and ED sleuths have reviewed the footage as part of their investigation.

During the raid at his residence, the ED officials seized several documents. Before leaving, the ED pasted a notice on the front of Dinesh Kumar's house, instructing him to appear before the ED for questioning.

Denies wrongdoing

Sources reported that when Dinesh Kumar appeared for questioning yesterday, he was interrogated by ED officials until the evening and was informed that he might be called back for further questioning if necessary.

KNOWLEDGE AND IMAGINATION: ***Which is more powerful? Imagination or knowledge? Knowledge is always limited. But imagination is only limited by the imaginer's ability to visualise. It is imagination, the power to create scenarios in the mind by asking the question, "What if?"; that enabled astounding discoveries and inventions in human history. Knowledge can be vast and deep but there is always an end to how much one can learn and know.***

Whereas imagination can easily go beyond what is there to know and do. Imagination comes in handy where knowledge ceases to be useful. It extends, embellishes and furnishes knowledge. This makes imagination, which has the potential to go beyond knowledge, a desirable quality. That said, it is knowledge that makes sense of the what is imagined. While it is great to be knowledgeable and imaginative, being only imaginative is living in a fool's paradise.

Knowledge is power while imagination is a gift. Knowledgeable and imaginative people are common, and they shape the future of the world. Without them humanity would never have progressed beyond the invention of the wheel. Imagination comes easily to all who care to pay attention to the intuitive thoughts they get. But knowledge is acquired through study and practice. Without knowledge, an imaginative person is like a rudderless boat drifting in the ocean. Knowledge is what gives imagination tools and skills to manifest into reality. Being passively imaginative is of use to none. Without knowledge, imagination remains sheer fantasy. While knowledge fetches understanding with it, imagination is the ignition key that spurs the engine to life.

And it is also true that when inspiration is coupled with imagination, one can achieve wonderful things by putting into practice all the knowledge one has acquired in one's life. A happy mix would be a third of each — inspiration, imagination and knowledge.

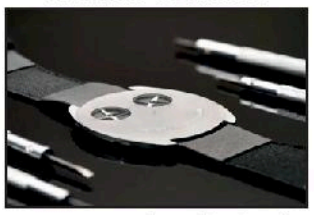
Chicken-shaped hotel building

Campuestohan: A spot in the Philippines has become home, officially, to the world's largest building shaped like a chicken! In the quaint town of Campuestohan in Negros Occidental.

The giant fowl stands tall at 114. 7 mts, 39. 9 ft wide and 92. 5 ft in length. The chicken building is a part of the Campuestohan Highland Resort. The structure consists of 15 rooms that feature air conditioners, large beds, large TVs and showers.

The construction began on June 10, 2023. By Sept. 8, 2024, the completed building won the Guinness World Records (GWR) title. The team had to take into consideration the fact that storms and typhoons are common in the region. The building would need to be able to withstand such conditions and its unique design proved to be challenging, according to GWR.

The world's thinnest wrist watch



Moscow: The ThinKing by Russian watchmaker Konstantin Chaykin is only 1.65 mm thick, making it the world's thinnest mechanical wrist watch.

The latest to claim the coveted title is independent watchmaker Konstantin Chaykin with its ThinKing prototype, a 1.65-thick masterpiece that is so incredibly thin it needs a special wristband. The ThinKing's case is so delicate that the simple pressure from being worn is enough to damage it, so the special strap made of alligator leather and elastic inserts with titanium has to absorb some of the shocks, twisting and bending. At just 1.65 millimetres, the ThinKIng is 0.5mm thinner than the previous record holder and even thinner than an American nickel.

Don't be confused, the condemned (unused) bogie/ compartment of a train that had been modified into a cafeteria at the Rail Museum, will be replicated in the Railway land of Swami Vivekananda Park area, opposite Vontikoppal Police Station.

South Western Railway (SWR), Mysuru Division, that is entrusted with the maintenance of the park is all set to float the tenders online on Nov. 13 at 11 am.

The contract will be for installation, re-furbishing, maintenance and operation of Air-Conditioned Multi-Cuisine 'Rail Coach Restaurant' inside ICF Broad Gauge Passenger Train Coach in the Park area for a period of five years. Interested parties can log onto *www.ireps.gov.in* for more information.

SWR authorities have laid a track at the park to fix the compartment. The successful bidder will be provided with basic infrastructural facilities like the place and compartment, which has to be modified into a restaurant by the bidder on his own, said Dharmaraj Kalagonda, Divisional Commercial Manager and PRO, SWR, Mysuru Division.

"Once the plan materialises, the 'Rail Coach Restaurant' is expected to be a prominent destination among the foodies, where one can savour their favourite food with ease, without any traffic hassles to worry about. Murder accused fleeing Police custody arrested

Kodagu Police nab him at Kota in Rajasthan

Madikeri, Nov. 7 (KS)-A murder accused, who had escaped from Kodagu Police custody at Telangana when he was taken for spot mahazar, has been arrested at Kota in Rajasthan on Nov. 5 by Kodagu Police.

Ankur Rana

The accused, identified as Ankur Rana, was wanted in the murder of a Telangana-based industrialist Ramesh Kumar, whose charred body was discovered in the Marigudi area of Panya estate near Suntikoppa recently.

The investigation by Kodagu Police led to the arrest of Ramesh Kumar's second wife Niharika, along with Dr. Nikhil Myreddy and Ankur Rana from Haryana. The Police had seized a Mercedes Benz car, mobile phones, and other items believed to be connected to the crime.

On Oct. 30, a team of 13 officers took Niharika and Ankur to conduct spot mahazar at Horamavu in Bengaluru. The following day, the team took both suspects to the murder site near the Uppal-Bhuvanagiri National Highway in Telangana, where they carried out the legal procedures. After completing their work, the officers checked into a hotel near Uppal, approximately 30 kilometres from Hyderabad, where they were supposed to keep the suspects overnight. However, in the early hours of Nov. 1, Ankur Rana managed to escape from the hotel, prompting a manhunt by the Police.

As Kodagu Police had to hand over both the accused to Judicial Custody on Nov. 4, they handed over Niharika to Judicial Custody and submitted the FIR copy registered at Kancharam Police Station in Telangana, pertaining to accused Ankur escaping from their custody to the Court following which the Court had issued a show-cause notice to the Investigating Officer.

Meanwhile, accused Ankur, who had stolen a mobile phone, had contacted some of his close confidants over the phone and the Police, using the mobile phone tower location technology, conducted operations for six days in Telangana, Uttar Pradesh, Delhi, Haryana and Rajasthan. On Nov. 5, the Police finally traced him at Kota in Rajasthan and arrested him. Ankur was brought to Kodagu under tight security and handed him over to Judicial Custody.

But the Kodagu Police team will now have to face a Departmental inquiry as accused Ankur had fled from their custody.

Inter-district accused involved in over 50 cases arrested

Chamarajanagar, Nov. 7 (KS)-An inter-district accused wanted in over 50 cases has been arrested.

Anand

The arrested accused is 33-year-old Anand of Jigani taluk in Bengaluru. He was involved in over 50 criminal cases at Chamarajanagar, Malavalli, Mandya, Shivamogga, Tumakuru, Bengaluru and other districts across the State besides hoodwinking the Police after committing the crimes.

Anand had committed a house burglary recently and Bengaluru's RR Nagar Police, who had arrested him, had sent him to jail. Chamarajanagar Crime Division Police, who came to know about Anand's arrest, got a body warrant against Anand, took him into their custody and interrogated him during which the accused is said to have confessed of committing burglaries at Swagath Traders and Prabhu Electronics at Bhuvaneshwari Circle in Chamarajanagar.

It is learnt that accused Anand had earlier involved in crimes and was sentenced to jail. After getting out of jail, he is said to have continued committing crimes.

Woman found dead in water sump; husband, mother-in-law arrested

Mysuru, Nov. 7 (SBD&KS)- A woman was allegedly found dead in the water sump of her house in Alanahalli on Tuesday. The Police, suspecting it to be a case of murder, have arrested the woman's husband and mother-in-law.

Mani (Basammanni) with her husband Chowdappa

Based on the complaint from Mani's sister Parvathamma, Alanahalli Police, who have registered a case, arrested Mani's husband Chowdappa and her mother-in-law Gowramma.

Shifting of KSRTC Sub-urban Bus Stand to Bannimantap

Decide after seeking opinion of all: MGP

Mysuru, Nov. 7 (SPN&BS)- Mysore Grahakara Parishat (MGP) has urged KSRTC officials to take a call on building a new Bus Stand after seeking opinion of all those who matter representing various sections of the society.

This resolution was taken during the 'Monthly MGP meeting with KSRTC on handling congestion at KSRTC Bus Stand' held under the Chairmanship of its President Shrishaila Ramannavar, at its office in Yadavagiri in city yesterday.

The meeting was attended by experts from various sectors who aired their opinions in an interaction with KSRTC Divisional Controller (Rural) Srinivas, who took note of the suggestions and made efforts towards addressing the concerns raised by the experts.

Retired Prof. Yadunandan, a MGP Member, who welcomed the decision to shift Sub-urban Bus Stand, explained about the prevailing confusions in the minds of the general public about the feasibility of the place identified in Bannimantap for the new bus stand.

"If the present bus stand is shifted elsewhere, the new bus stand should come up at an ideal location that can be accessed by all. It would be conducive, if the bus stand is constructed near Outer Ring Road (ORR) or any vast land, with better connectivity to Airport and Railway Station, along with boosting commercial sector. The Detailed Project Report (DPR) should be oriented towards the development of Mysuru, including the plans to check traffic snarls," suggested Prof. Yadunandan.

MGP President Shrishaila Ramannavar chairing a meeting regarding shifting of Sub-Urban Bus Stand with KSRTC officials at MGP Office in Yadavagiri last evening. MGP Founder-President Bhamy V. Shenoy, KSRTC Divisional Controller Srinivas and others are seen.

In his reply, KSRTC DC Srinivas said, KSRTC is committed towards establishing new bus stand in any part of the city. The existing bus stand is facing a severe congestion stemming the emergent need for a new bus stand. In the last one-and-a-half years, seven accidents are reported in the bus stand and two passengers have lost their lives. Owing to traffic issues, it takes about 30 minutes to operate one bus. Taking all these into consideration, we have to take steps to ease the pressure on the bus stand, that is crowded with passengers from 7 am to 10 am and 5 pm to 9 pm. Besides, parking space has to be provided to station over 270 buses on their arrival from various destinations.

Search for place in outskirts

P. Vishwanath, former Mayor and Secretary of Vidyavardhaka Sangha said, instead of operating the bus stand in a congested place, it is better to operate the facility from the outskirts that would benefit all.

However, KSRTC DC Srinivas said, if the bus stand is built in the outskirts it would least serve the purpose, but such plans can be explored during the creation of new district centres. It would be not feasible in already developed cities. The existing bus stand can handle the operation of 25 buses at a time, but a total of 2,600 buses including those of inter-State, district and local routes are being operated now. About 65 acres of land belonging to KSRTC is available at Bannimantap and the consent of Government has been sought for the new bus stand in 13 acres of land.

No full shifting of bus stand

Srinivas also explained that, the bus stand won't be shifted to the proposed new station fully, except for the operation of buses on Mysuru rural, Mysuru-Mandya, Mysuru-Hassan, Mysuru-Kodagu and Mysuru-Chamarajanagar districts routes, that will continue in the present bus stand. Plans are on the anvil to operate inter-State and inter-district buses from Bannimantap.

Founder-President of MGP Bhami V. Shenoy, MGP Member Nataraj, President of Mysuru Hotel Owners Association C. Narayanagowda and hotelier Ravi Shastri, also aired their opinions.

MGP Members S. Shobhana, S.V. Shekar, Ramu Agarwal, Vasanth, Rakesh, K.V. Ramanath, Arunkumar Shetty, D.V. Dayanand Sagar, B. Srinivas, G. Sridhar, S. Yogendra, K.V. Bhanu Prashanth, Dr. Nataraj, C.N. Sudheendra, N.T. Raj and others were present.

Oppn. leader Ashok alleges Rs. 900 cr. 'hafta' collection in Excise Department

Bengaluru, Nov. 7 (Agencies)- Opposition Leader in Legislative Assembly R. Ashok has alleged that, large scale irregularities amounting up to Rs. 900 crore is suspected to have occurred in the Excise Department, that demands the resignation of Excise Minister R.B. Thimmapur and the intervention of Enforcement Directorate (ED).

R. Ashok

Addressing the media here on Wednesday, Ashok said, earlier rowdies were collecting *hafta* in Bengaluru, but now Excise Minister Thimmapur is collecting Rs. 18 crore *hafta* every week, shying even the rowdy elements, which amounts to total Rs. 900 crore in a year. In its letter, the Federation of Wine Merchants Association, Karnataka, has explained about the rate of bribe to be paid for every official in the Department. There is also a mention of bribe paid to the officer in Chief Minister's Office (CMO), Personal Assistant (PA) and Personal Secretary (PS).

"When BJP Government was in power, they cried foul alleging 40 percent commission, but failed to provide any evidence to support their allegations. Now, if the Congress Government is ready to paste the posters about corruption, I will also join them," said Ashok.

Chief Minister Siddaramaiah claims that his life is an open book, but there are more of black marks. He should feel ashamed to face the probe from the Police Officer, who works under him. Moreover, it is surprising that the time of interrogation was also fixed and how is it possible? asked Ashok.

Rudranna, the Second Divisional Assistant (SDA) at the Tahsildar's Office in Belagavi, who allegedly committed suicide in office had sent a message in a WhatsApp group, before taking the extreme step. But still, the senior officials ignored the message. Like how Chandrasekharan, Accounts Superintendent of Karnataka Maharshi Valmiki Scheduled Tribes Development Corporation Limited ended his life, leaving behind a death note exposing large scale corruption, Rudranna had also sent a message before his death, calling for a fight against corruption. Even in the case of PSI Parashuram of Yadgir district, no arrests have been made after his death. Rudranna's case is expected to meet the same fate, alleged Ashok.

He demanded the CM to take action against Belagavi District Minister Laxmi Hebbalkar akin to how he flexed his muscles against then RDPR Minister K.S. Eshwarappa, who was forced to resign from the Ministry.

KSRTC earns Rs. 5.59 cr. in a day on Deepavali

Bengaluru, Nov.7 (Agencies)- KSRTC has earned a whopping revenue of Rs. 5.59 crore in a day, cashing in on the Deepavali festival rush on Nov. 3.

Following series of holidays connected with Kannada Rajyotsava and Deepavali festival from Oct. 31 to Nov. 2, followed by Sunday on Nov. 3, the number of passengers travelling in KSRTC buses to reach their hometown and return to Bengaluru, from across the State was significantly high. On Nov. 3 alone, a whopping 85,462 seats were booked online generating a revenue of Rs. 5.59 crore to KSRTC. Previously during the fag end of October, KSRTC had sold 67,033 tickets in a day.

Bengaluru Metropolitan Transport Corporation (BMTC) that also operated buses for the festive season along with KSRTC contributed to the revenue.

Tourist vehicle drivers stage protest against unauthorised taxis

Mysuru, Nov. 7 (GA&BS)- Tourist vehicle drivers staged a protest in city yesterday, demanding action against unauthorised vehicles with white boards and electric vehicles (EV) being operated as taxis.

The protest was staged under the aegis of Mysuru District Tourist Vehicle Drivers and Owners Welfare Association, in front of the Regional Transport Office (RTO) - West, near Ballal Circle in city.

Association President S. Nagaraj said, following a complaint to RTO, a raid was conducted on Tuesday on private firms letting out white board vehicles as taxis and seized them. But, the owners of such vehicles succeeded in shifting the vehicles elsewhere in connivance with RTO officials.

Though over seven cars were seized during the raid, only three vehicles were brought near RTO office, leaving behind four vehicles. Though the wheels were locked, the car owners removed the wheels in a scrupulous manner and replaced them with a spare wheel, before driving them to undisclosed locations.

However, a RTO official denied the allegations and assured to initiate action against unauthorised taxi operators and conduct the probe in a fair manner.

Association Vice-President R. Prabhakar, Secretary K.T. Diwakar, Girish and others were present on the occasion.

MUDA meeting begins

(Continued from page 1)

"Certain decisions and resolutions passed in previous MUDA meetings will be reviewed for approval. Today, we will discuss 172 subjects, including resolutions that were not approved by the former Commissioner," Lakshmikanth Reddy said.

When pressed for more details, Reddy emphasised that it was a routine meeting with no major decisions on the agenda. "The meeting will proceed as per the set agenda, and the media will be briefed afterward," he added.

'Cancel all 50:50 site allotments'

KR MLA T.S. Srivatsa, speaking to reporters, clarified that out of the 172 subjects, 167 pertain to plan approvals and site releases, involving 5,000 to 6,000 sites across more than 400 acres of land.

"The public's trust in MUDA has eroded, and we will work to restore the situation, particularly following the 50:50 site scam, in which even Chief Minister Siddaramaiah and his family are standing in the place of the accused. This meeting will review past mistakes in site sanctions and allotments, aiming to avoid further controversies over illegalities," he stated.

"At the meeting, I will seek the cancellation of all the 50:50 sites at the MUDA level, and the same will be communicated to the Government," the MLA added.

'Follow CM's wife, return sites'

Chamaraja MLA K. Harishgowda also echoed similar sentiments, stating that over 3,200 sites have been allotted under the 50:50 scheme from 2020 till 2024.

"All of these sites must be reclaimed by MUDA. The illegal allottees should voluntarily return the sites to MUDA, following the example set by Chief Minister Siddaramaiah's wife, B.M. Parvathi," he said.

When reporters inquired about the sites allegedly under his possession, Harishgowda responded, "I do not possess even an inch of MUDA site under the 50:50 scheme. If anyone can prove that I possess such sites, I will resign as an MLA and retire from politics."

Cancel only illegal sites

Chamundeshwari MLA G.T. Devegowda, however, offered a different perspective on the issue of 50:50 sites. "Instead of cancelling all 50:50 sites, we should identify those that have been illegally allotted and cancel only those. Withdrawing all the 50:50 sites will be detrimental to the growth of Mysuru, and it will create immense trouble for genuine site owners, builders, and layout planners," he said.

"Many urban development bodies across Karnataka have distributed sites under a 60:40 ratio, and there has been no controversy there. The controversy in MUDA has arisen due to illegal approvals. We must focus on identifying the illegality and protect the interests of genuine site owners," he added.

MLAs Tanveer Sait (NR), Darshan Dhruvanarayana (Nanjangud) and Rameshbabu Bandisiddegowda (Srirangapatna), MLCs A.H. Vishwanath, Madhu Madegowda, C.N. Manjegowda and L. Vivekananda were present at the meeting.

Blindfolded protest at MUDA meeting venue

Mysuru, Nov. 7 (MTY&BCT)- Retired Mysuru Urban Development Authority (MUDA) Planning Officer P.S. Nataraj staged a blindfolded protest ahead of the MUDA meeting this morning.

Speaking to reporters, he criticised the meeting for failing to address new projects and for inconveniencing general public.

"Today's meeting is solely to discuss 172 old subjects. A senior MUDA Board member is influencing MUDA affairs to further his personal real estate interests," he alleged, without naming anyone.

"There is no purpose in today's MUDA meeting; it's merely an eyewash. No public benefit will arise from it, and all 172 subjects will only serve the interests of those with influence and political power. Corruption is rampant," he added.

G.T. Dinesh Kumar appears before ED for questioning

(Continued from page 1)

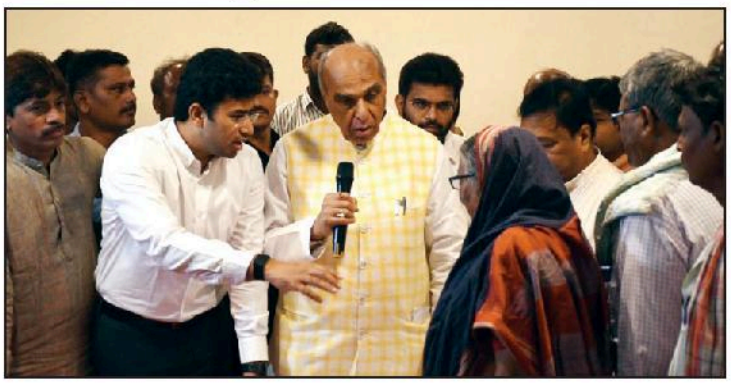
Sources told *Star of Mysore* that Dinesh Kumar told the officers that he had not acted illegally during his tenure at MUDA. "I have only implemented Government orders and have not deviated from the established norms when distributing sites under the 50:50 ratio, as well as alternative and compensatory sites," he stated.

On Oct. 28 and 29, ED officials raided the residence of another former MUDA Commissioner, Dr. D.B. Natesh, at his flat on 10th Cross, Malleswaram, Bengaluru. After the two-day raid, he was taken to the ED Office for further questioning and was released late in the night.

During the extensive raid at Natesh's Malleswaram residence, ED officials seized documents contained in two bags. Natesh, however, has also maintained that he acted under Government orders and denied any knowledge of wrongdoing.

Both Natesh and Dinesh Kumar are accused of fabricating documents and unlawfully distributing MUDA sites, valued at hundreds of crores of rupees, to vested interests. The allegations against Natesh include the controversial allotment of 14 sites to CM Siddaramaiah's wife, B.M. Parvathi, and the illegal distribution of 928 sites in a 50:50 ratio during his tenure.

Waqf row: JPC Chairman on fact-finding mission in Hubballi



Joint Parliamentary Committee Chairman Jagdambika Pal interacting with farmers in Hubballi this morning. MP Tejasvi Surya is also seen.

Hubballi, Nov. 7 (Agencies)- Jagdambika Pal, the Chairman of Joint Parliamentary Committee (JPC) on Waqf (Amendment) Bill in Lok Sabha, today visited the State amid the ongoing Karnataka State Waqf Board row, issuing notices to farmers claiming ownership of agricultural lands.

Pal, who arrived in Hubballi in the morning, will also be visiting Vijayapura and Belagavi as part of his fact-finding tour, following which he will be submitting a report to the Parliament.

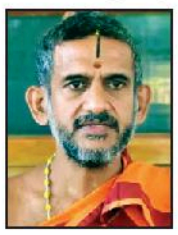
The JPC Chairman will be meeting the farmers and members of various organisations to discuss about the controversy. The JPC has been formed to review Waqf Amendment Bill introduced in Parliament this year.

Speaking to media persons, Pal said, members of the farmers organisations had met him at Hubballi Airport and had handed over some papers to him. "I have also enquired with farmers if they had *Bonafide* documents or deeds of lands, now claimed by the Waqf Board, to prove their ownership. The farmers are claiming that they have been cultivating lands for more than 50-70 years, but even then, the Board is claiming (their land). I will look into it," Pal said.

Jagdambika Pal's visit comes after Bangalore South BJP MP Tejasvi Surya wrote a letter to JPC, to inform about the ongoing Waqf row in the State and also regarding the unilateral manner of the Board claiming ownership of lands, including monuments belonging to Archaeological Survey of India.

How come suddenly Temples became Waqf properties?

Pejawar Seer says all Temple assets must be registered in the name of deity



Davanagere, Nov. 7 (BCT)- **Pejawar Seer Sri Vishwaprasanna Teertha Swamiji** has questioned the sudden classification of Temples as Waqf properties, expressing concerns over the confusion and fear it has caused among the public.

Speaking to reporters in Davangere on Nov. 5, he criticised the State Government's actions, urging it to focus on positive initiatives instead of creating confusion. "Temples are suddenly being designated as Waqf properties, which is alarming and disruptive for the people. Such actions should not be taken. The Government must prioritise constructive measures that benefit the public," the Swamiji stated.

He further pointed out that even lands belonging to farmers and Mutts are now being linked to Waqf. Swamiji emphasised that Temples, which fall under the Department of Religious Endowments, should have their properties protected first. He urged the authorities to ensure all Temple assets, big or small, are registered in the name of the deity.

"We have been silent, believing that this is our country, but properties are being gradually transferred. In Hassan, efforts are underway to register Temple properties in the deity's name and this should be done across the State," he added.

Sri Vishwaprasanna Teertha Swamiji also demanded that those responsible for transferring Temple properties should be identified and legally penalised. He expressed his approval of the Central Government team's visit to Karnataka to assess the plight of farmers whose lands have been usurped by Waqf Board. However, he refrained from commenting on the ongoing caste census issue.

The Swamiji's remarks highlight growing concerns over the government's handling of temple and religious property matters, with a call for urgent action to safeguard these assets.

MUDA 50:50 site scam probe

Lokayukta denies media reports on its questions to CM

Mysuru, Nov. 7 (BLU&BCT)- Even as the Mysuru Lokayukta Police questioned Chief Minister Siddaramaiah yesterday regarding the allocation of 14 compensatory sites to his wife by MUDA, several media outlets reported a series of questions purportedly asked during the session.

However, Mysuru Lokayukta SP T.J. Udesh clarified that the questions telecast by electronic and other media have no relation to the actual inquiry conducted by the Lokayukta.

He emphasised that the questions shown on TV and other media were not theirs. Siddaramaiah arrived at the Lokayukta Office yesterday morning, completed the inquiry and left. Following this, Udesh spoke informally with the media.

Journalists from print media inquired about the news and questionnaires being circulated in relation to CM's inquiry. In response, Udesh stated that these questions were from television media and not from the Lokayukta.

He further explained that Siddaramaiah's statement had been video recorded. While most aspects of the inquiry have been completed, several tasks remain. Udesh assured that all pending work would be finished within the stipulated time.

The responses to the case will be carefully examined. If necessary, notices will be issued and individuals may be called for further inquiry. Udesh also mentioned that the final inquiry report is due by Dec. 24, to be submitted to the Court of Elected Representatives in Bengaluru.

Meanwhile, the High Court, which heard a petition on Tuesday requesting the case be handed over to the CBI, has directed that a progress report be submitted by Nov. 25.

When asked about this, Lokayukta SP Udesh confirmed that the Court's directive would be followed.

Concerns raised about fairness in CM's inquiry

It is illegal for CM's Legal Advisor to be present during questioning: Snehamayi Krishna

Mysuru, Nov. 7 (BLU&BCT)- Reacting to reports that Chief Minister Siddaramaiah's Legal Advisor and Virajpet MLA A.S. Ponnanna was present with the CM during yesterday's Lokayukta questioning, complainant Snehamayi Krishna has stated that if Ponnanna was indeed present during the questioning, it would be considered illegal.

Speaking to *Star of Mysore* about Siddaramaiah's participation in the Lokayukta inquiry, Krishna clarified that while it is permissible for an accused to be accompanied by their Legal Advisor or lawyer to the Lokayukta Office, no lawyer or representative should be present during the actual questioning of the accused.

He emphasised that if Siddaramaiah's Legal Advisor Ponnanna was present during the inquiry, it would be a violation of legal procedures. "I will bring this issue to the attention of the High Court and the Court of Elected Representatives," Krishna said.

Fairness of investigation

He has raised suspicions that the Lokayukta may have asked questions favourable to Siddaramaiah and obtained corresponding answers. He accused the Lokayukta of conducting and completing the inquiry precisely within the time-frame set by Siddaramaiah, with only a slight deviation of one or two minutes.

Krishna pointed out that Siddaramaiah's official itinerary specified exact times for his arrival and departure. According to the schedule, Siddaramaiah arrived at the Lokayukta Office, participated in the inquiry and left at the predetermined time.

These observations, Krishna remarked, have raised questions about fairness of the probe. "How could Siddaramaiah know he would be questioned for only two hours? Was the timing predetermined? Or did the Lokayukta Police inform him about the schedule for the questioning?" he asked.

"In this context, due to a lack of trust in the Lokayukta inquiry, I have already filed a petition in the High Court requesting that the investigation be handed over to the CBI. Once the Lokayukta submits the inquiry report to the High Court when Justice M. Nagaprasanna will hear the case on Nov. 26, it will become clear how the investigation was conducted," Krishna stated.

He further alleged that, a satellite survey of 3.16-acre land in Survey Number 464 in Kesare was not conducted.

Krishna claimed that Lokayukta SP T.J. Udesh had committed several lapses in his duties. Following which, he mentioned that he has written to ADGP Lokayukta, requesting senior officials to guide SP Udesh.

ED likely to issue notice to CM soon

Mysuru, Nov. 7 (MTY, BLU& BCT)- Chief Minister Siddaramaiah, who yesterday faced questioning by the Mysuru Lokayukta Police in connection with the controversial allocation of 14 sites to his wife by the MUDA, is now facing heightened tension with the Enforcement Directorate (ED) action.

The ED continues its investigation into the MUDA corruption case, which includes the contentious site allocation. The agency has already raided the homes of builders, officials and close associates of the CM.

Sources suggest that the ED may soon issue a notice to Siddaramaiah to appear for questioning as part of its ongoing probe. ED officials have previously examined land and site records linked to the CM's family during raids at the MUDA and Taluk Offices.

In their two-day search at the MUDA Office, they reviewed documents related to properties in Kesare village (Survey No. 464) and the records concerning the 14 sites allotted to Siddaramaiah's wife under 50:50 scheme at Vijayanagar Third and Fourth Stages.

Additionally, the ED has questioned former MUDA Commissioners Dr. D.B. Natesh and G.T. Dinesh Kumar, seizing documents from their residences in Bengaluru. With the investigation intensifying, Siddaramaiah is under increasing pressure and the possibility of receiving an official notice from the ED is imminent.

Meanwhile, Mysuru Lokayukta has concluded questioning of CM Siddaramaiah (accused 1), B.M. Parvathi (accused 2), her brother B.M. Mallikarjunaswamy (accused 3), who gifted land in Kesare to Parvathi and J. Devaraju (accused 4), the land-owner.

Lokayukta sleuths have also questioned former Urban Development Minister B.N. Bachegowda, former Mysuru Deputy Commissioner and current Raichur MP G. Kumar Naik and former Mysuru Additional Deputy Commissioner S. Palaiah. The Lokayukta Police are now set to question former MUDA Commissioners Dr. Natesh and Dinesh Kumar.

WORD OF THE DAY

Euphoria

Pronunciation: yoo-FOR-ee-uh (noun).
Meaning: A feeling of great happiness & excitement.
Origin: Health and happiness are often linked, sometimes even in etymologies. Today euphoria generally refers to happiness, but it comes from euphoros, a Greek word that means "healthy." Given that root, it's unsurprising that in its original English uses euphoria was a medical term. A medical dictionary published in 1881 (The New Sydenham Society's Lexicon of Medicine and the Allied Sciences), for example, defines euphoria as "well-being, or the perfect ease and comfort of healthy persons, especially when the sensation occurs in a sick person," and the second edition of our own unabridged dictionary published in 1934 labels euphoria as a psychological term meaning "a sense of well-being and buoyancy." The idea of buoyancy also connects to the word's Greek roots: euphoros comes from a combination of the prefix eu-, meaning "well" or "easily," and the verb pherein, meaning "to bear." Modern physicians still use the term, but euphoria has since entered everyday usage as a word for happy feelings so intense one feels borne aloft.
Example: "Ciara picked up the crown where it had landed. It was warm, but more than that, the metal seemed to pulse somehow, like it was a living thing with a heartbeat of its own. It almost buzzed in her hands and she felt a gentle euphoria, simply holding it." — Juno Dawson, The Shadow Cabinet: A Novel, 2023

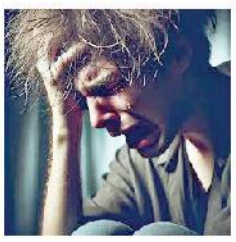
PHRASE OF THE DAY

Emotional wreck



Meaning: Someone who is or was feeling very sad, or desperate because of something bad that has happened to them. One who has lost control of emotions and has become unstable and unable to function.
Origin: The word 'emotional', derived from the word 'emotion' has its roots in the Latin word "emovere," which means "to agitate." While the word wreck is derived from the Old English word "wrec" which meant something cast ashore after a shipwreck. Over time the meaning of the word 'wreck' expanded to refer to anything that's in a destroyed, ruined and damaged state. It is believed by some that people began combining the words 'emotional' and 'wreck' between 1865 and 1870, to refer to someone who's in a desperate emotional state following something they've recently been through. The phrase 'emotional wreck' is in frequent use to this day.
